

Great Lakes Region D

Trio of Friends for Fun

Hello Region "D", my name is Butch Micheau. My wife Margaret and I joined G.W.R.R.A. in 1989. We became AC/D in 1991 and have been active in the Operations side until 2008. We were AC/D, C/D, SC/D, AD/D, D/D, and SD/D.

As with the rest of the Region "D" Staff, we are going to be doing "Double Duty". We are Assistant Region Directors, and we are also Motorist Awareness Coordinators for Region "D". We are excited about both positions and are looking forward to serving on the Region Staff.

Steve Stilwell and I put on a seminar for Motorist Awareness at the Region "D" Rally and we met Dan Dulyea from Michigan, and Robert Williams from Ohio. They are the Motorist Awareness Coordinators for their Districts. The three of them show a tremendous amount of enthusiasm for the subject. After the seminar, they did some brain picking and thought sharing on a power point that Dan has been working on to use in the school systems for Driver's Education.

We will be working with the Districts and the Chapter Motorist Awareness people to get them any information that they can use to help make the public aware that we are sharing the roads with them and want to do it safely.

Your Friends for Fun, Safety & Knowledge,

Butch and Margaret Micheau
