

We have a tradition of supporting a local charity at our Michigan District Rallies to help show the local community that we are a group that cares. Once again for our third and last rally in the Ewart community for a while, we have chosen to support the Sears Food Pantry . They provide services to all of Osceola County. We feel it is a little hard to bring a donation of canned goods when a lot of us will be traveling by Motorcycle and camping. So, while they will be very happy to receive whatever you choose to bring, this year we will be accepting at registration any and all cash or check donations (please make them out to the Sears Food Pantry). They are able to purchase perrishible foods with these funds that they can't do otherwise.

We are going to have a corn shucking contest between the three districts. This will need to be a limited amount of contestants and there will be a sign-up sheet at the registration table.

After closing, there is going to be a great free concert down town Ewart sponsored by the community businesses. The group playing will be " Rich Eddie and the Rocking Oldies" After the concert, as dark approaches, we will have a lighted bike parade that will end in the center of town. We will be providing a little ice cream treat for our Gold Wing family and those there from the community. We hope you will join us as the bikes that have entered the lighted bike show are highlighted for all to see.

Please bring your Rally Program to the opening ceremony ! To honor our great Nation, and especially to honor our guests from Canada, we have printed the words to both National Anthems in the program and we invite you to help us raise the roof to show them our hearts.

Remember that because of the shear number of events scheduled you will have to pick and choose what you will be able to do. For the same reason, we have to reserve the right to make changes as needed.

Bob Scott
Michigan District Director

Lloyd Glydewell
Region D Director
