Fellow Educators,

After dedicated service to the members of the Michigan District, Rick and Michelle Andreen have decided to step down as the District Educators. Rick and Michelle have done an outstanding job with the Michigan Rider Education program. Please join me in thanking Rick and Michelle for their service to Michigan.

New Michigan District Educators

Please join me in congratulating, Dennis & Felicia Schulte Michigan Assistant District Educators, as your new Michigan District Educators. This will be effective as of October 1st, 2016. Dennis & Felicia is an outstanding couple dedicated to our Rider Education Programs. We're fortunate to have such a couple ready to move up and take on these challenges in service to our Michigan District membership.

Sincerely,
