

We are Mark and Dawn Reed the Region D and Indiana District entertainment Coordinators. We have been married for 20 years this year. We purchased our 1984 GL1200 as a wedding gift to each other.

We joined GWRRA after we got back from our honeymoon in October 1995. We didn't get active until 2001. We started having our family and was afraid it would not work together. Boy, we were wrong. We joined Indiana Chapter R2 in Rensselaer and hit the ground running. Our boys would go to all of the meetings and rallies, they have grown up at GW events. In 2005, we were selected as R2's Couple of the Year and participated in the selection at Winter Rendezvous in 2006 and became the Indiana Couple of the year. We have been on the District Team ever since.

We have been providing sound and music and some games, shows, and dances at all of Indiana's events. 5 years ago, we started doing it at the Region D events.

Dawn, the boys, and I love to get together with all of our GW family, sharing stories, meals, rides and of course Ice Cream.

We are looking forward to working with both Indiana and the Regions Teams in the future. Hope to see everyone at our next event.

Take care and ride safe
