Members Needed;

We are going out of the usual routine (thinking outside the box) and asking the GWRRA Members from Region D who are going to Wing Ding 31 in Tulsa to consider volunteering 4 hours of your vacation time to help the Region and your District Teams work Pre-Registration at Wing Ding.

Please read on: You might say, why would I want to pay good money to go to an event and then volunteer my time to help make it successful? Consider the following questions; Do you like to have fun? Do you like to meet new people? Do you ever wonder what is behind those closed doors or around the next curve? Do you have pride in your Chapter, District or Region?

Well now you as a Member have a chance to take part in a new and rewarding experience. Many times when someone goes to an event for the first time or is returning because they enjoyed their previous experience, they arrive excited and the first thing they encounter is a group of happy people having fun and sincerely welcoming them to their party, this sets the mood for the entire event. A good first impression and smiling faces truly makes it fun and rewarding.

In years past the Region and District Teams have taken on this responsibility and the Wing Ding Staff has been very happy with the results that Region D has provided to the Members and guests when they come to Wing Ding. Now we would like to ask the Members and Chapter Officers to become involved in helping us with this task.

Story time: Last year we were working pre-registration at Wing Ding in Greenville, SC and we had a couple from the New England area (Massachusetts we think) volunteer not one, but two different days because they were having so much fun meeting and greeting the attendees. Then another morning we had a couple from Region N come up and volunteer to help us with pre-registration, not wanting to upset the Region N Team who were right next to us, we commented that Region N was working on-site registration, shouldn't you be helping them? They responded by saying you folks are having so much fun we want to work with you, so we said welcome and put them to work.

The only requirements are a positive attitude and a smiling face.

How much fun you have is up to you.
